

PARTNER WITH NEO Roller Derby

Established in 2007 and now preparing for our fifth season; we are a nonprofit organization that strives to support, enrich, and strengthen our community. We have raised and donated over \$20,000!

There are many costs to our league members that we all endure, including paying monthly dues to cover our practice spaces and the endless cost of equipment replacement.

All of us need the support of generous partnerships so that we can continue to focus on skating, which is our unique way of supporting our community. Through your partnership, you will team up with us to reach new clientele, reinforce your commitment to existing customers and have the satisfaction of making a visible difference in our community!

Please Circle Desired Level. Please feel free to Email Business@NEORollerDerby.com to create a custom package for you or to answer any questions.
